For Your

FLOOR

Fashion is no longer just for our bodies, it's our life.

The clothes we wear, the cars we drive, the food we eat, the interiors we choose. It's our life. Fashion. It's not where we started: it's where we are now.

We mix the old with the new: traditional, rug making weaves with two, seasonal, ahead-of-the-trend rug collections.

Fashion evolves. Our rugs evolve.

Enjoy.

Plantation Rug Company[©]

A history **IN THE MAKING**

We've been designing and weaving rugs since the 1930s, so our heritage gives us the expertise to know what makes a good rug.

FASHION *For Your* **FLOOR**

Fashion is no longer restricted to the catwalk.

It's everywhere. And more increasingly, it's appearing in our homes. Gone are the days of painting the living room's walls one year and redecorating with the same colour one year later. Walls are painted white then grey then navy blue within a year. And why shouldn't the accessories in our home complement this?

This is exactly what Fashion for your Floor, from the Plantation Rug Company does. Bang-on-trend designs with a quality, first class finish and the cost is affordable. So, if you want to change the look and feel of your living room three times a year, why not?

Rug
CARE

Care Instructions

Keep your rugs looking shiny, brand-new with the following care instructions.

VACUUMING

A chore that should be exclusive to Cinderella! YUK! However, if you vacuum your rug every other week it will prevent dirt and grit filtering into the pile and keep your rug looking fabulous.

NASTY STUFF

Ooops! We've all spilt wine (or worse) on our newly laid flooring before. The key is to act quickly, grab a clean cloth and dab the liquid. Do not rub. Dab with carpet cleaner until the stain is removed. For really nasty stains, keep repeating this process until clean. If all else fails buy a new rug. ;o)

GRIPPERS

Get yourself a Rug Hug and make sure your rug doesn't slip and slide with anti-slip underlay. Available from our good selfs.

Plantation Rug Company[®]

STOP! THIEVES

If you're thinking about stealing our designs and selling them from the back of a lorry in cheaper materials, don't! All the designs featured in this brochure are registered for copyright and are the property of the Plantation Rug Company. Any infringement of this copyright or unauthorized use of these images will be pursued through the appropriate channels. (oooo-er!).

WE'VE BEEN REALLY, REALLY CAREFUL

We've spent hours and hours, even days, ensuring the brochure's colours accurately match the colours of our rugs. However, the printing process sometimes means there's a slight variation in colour. Sorry about that. We've also taken loads of care to describe the rugs accurately; however specifications may change. All rugs are subject to availability and may be withdrawn or discontinued. Remember 90% of our range is handmade and unique therefore designs may vary slightly.

MASSES OF THANKS!

To my favourite agency, Brown Dog, without whom this brochure would not have been as brilliant. Thank you. A big, big thank you, once again to Jan and Pete for photographing these rugs, I know your time is precious and I'm grateful for the attention and time you give to Plantation. Finally, thank you to the very talented Harriet, your instinctive style is just genius.

FINALLY

Apologies to the lovely James at Albert Terrace. Thank you for being so understanding regarding the chip on your Tulip table (p27). Oooops. I hope we didn't cause you too much inconvenience and you're happy with the new one.
